SEA SALT SPRAY

Effective as a pre-styler in combination with other products, or used solo for building and enhancing texture, this Sea Salt Spray is Neptune's gift. With a winning formula, this can be spritzed and blow dried, or left to air dry for a back-from-the-beach finish. Works like a dream on longer styles or refreshing curls and instantly powers all hair types beyond that just-shampooed state. Light but lasting hold. Smells like summer holidays. Water soluble for easy wash out.

WHAT DOES IT DO?

Provides a rough and ready look or a foundation for finishing touches with gritty texture and boosted volume. Smells fresh and prepares or enhances styles like modern mullets, any textured or long styles, and more.

 Permet d'obtenir une finition « sortie du lit » ou une base pour ensuite travailler les cheveux afin de leur donner un aspect grossier et du volume. D'une odeur rafraîchissante, ce spray permet de préparer ou d'améliorer certaines coiffures comme les mullets modernes, ainsi que toutes les coiffures texturisées ou longues, entre autres.

 Proporciona un aspecto y preparado o una base para los toques finales con una textura y un mayor volumen. Huele fresco y prepara o mejora estilos como el corto con melena, cualquier peinado con texturas o largo y más.
